INTRODUCING FLOKI EVENTS

At Floki Software, we understand that every event is unique, and so are the needs of our clients. That's why we are proud to introduce **Floki Events**, a fully customizable event invitation service designed to provide personalized solutions for a wide range of events—whether it's an intimate celebration, a grand wedding, or a large corporate function.

Our offerings go beyond traditional invitations, integrating cutting-edge digital tools like custom websites, WhatsApp bots, and personalized designs to enhance guest engagement and streamline event management. With Floki Events, your event invitation experience will be as unique and memorable as the event itself. Our tailored packages and pricing plans ensure that you receive exactly what you need, within your budget, while maintaining the highest level of quality and service

Offered Services in Floki Events

Floki Events provides customizable digital invitation solutions that will leave a lasting impression on your guests.

Event Websites

Fully customized, responsive websites designed to match your event's theme. With features like RSVP management, seating charts, live photo galleries, and more, your guests will have all the event details in one place.

Invitation and Ticket Design

Design your invitations whether as animated videos, images, interactive designs with clickable elements like RSVP links and venue maps. or even ticket styled linking to your seating chart and a personalized section on your website. We have you covered in all cases.

WhatsApp RSVP Bot

Instead of moving guests between external links, we design personalized bot that handles RSVPs, sends event reminders, and provides all necessary information to guests without them leaving WhatsApp.
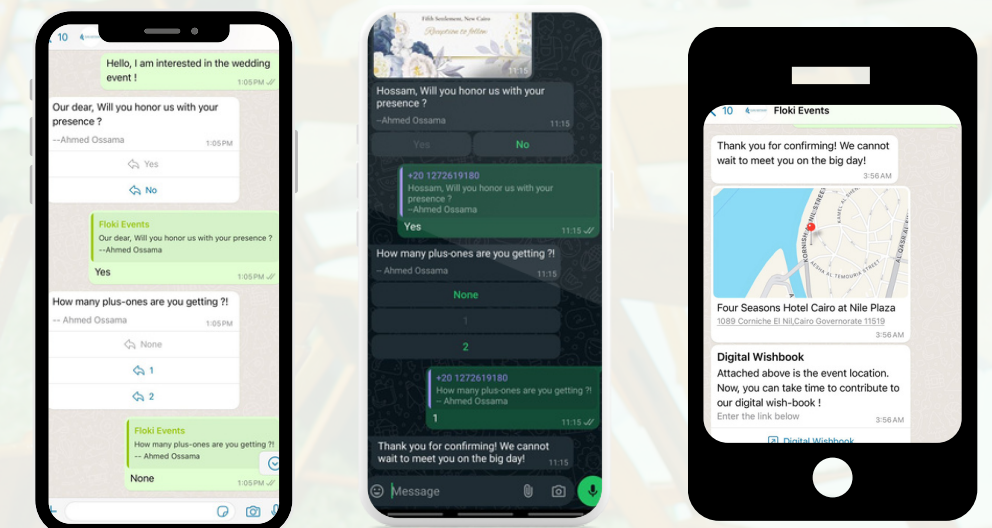

Why have a website with Floki Events ?

FLOKI SOFTWARE
SMART AGE. SMART SOLUTIONS.

Unlimited Customizations

Each website is uniquely designed to reflect your personal style and preferences, ensuring your design is completely unique.

Matching Themes

We can design your website to seamlessly follow the same template and theme as your event invitation for a cohesive look.

Personalized Domain

You can choose a personalized domain or subdomain, such omarandlayla.com, for a memorable online presence.

Unlimited Functionalities

Our websites offer unlimited features and functionalities to suit all your needs, ensuring flexibility and versatility.

Fully Responsive Design

Your website will look and function beautifully on any device, from smartphones to desktops.

Custom Animations

Add a unique touch with custom animations that bring your website to life.

Lifetime Validity

Your website stays forever on our servers, your big day will never be forgotten !

Vast Storage

Our package includes hosting your website with a vast storage helping you store all your memories !

Websites Features and Functionalities

1) Streamlined RSVP Management

Easily manage guest responses with a custom RSVP form tailored to your needs. Control plus-one options, create personalized RSVP links for each guest, and automatically send email reminders to ensure no one misses the event. Track and manage responses in real-time using a comprehensive RSVP dashboard, making guest management simple and efficient.

Websites Features and Functionalities

2) Couple/Event Gallery

Share personal photos in a dedicated gallery to give guests a glimpse of the couple or event theme.
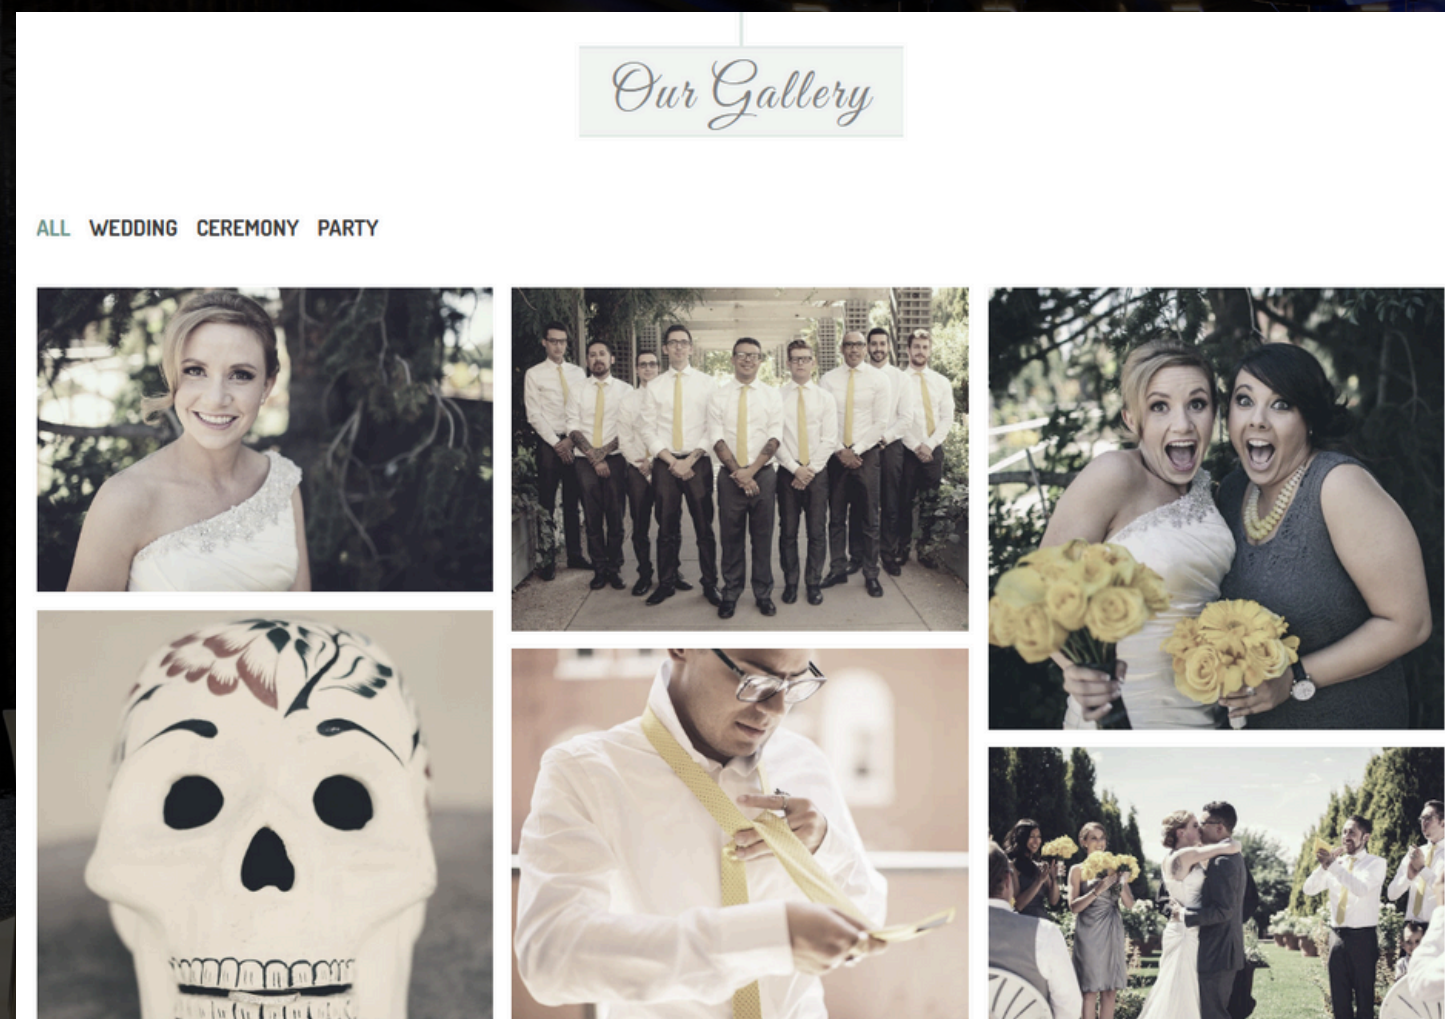

3) Couple Story

Tell your unique story with text, images, or videos that resonate with your event theme.
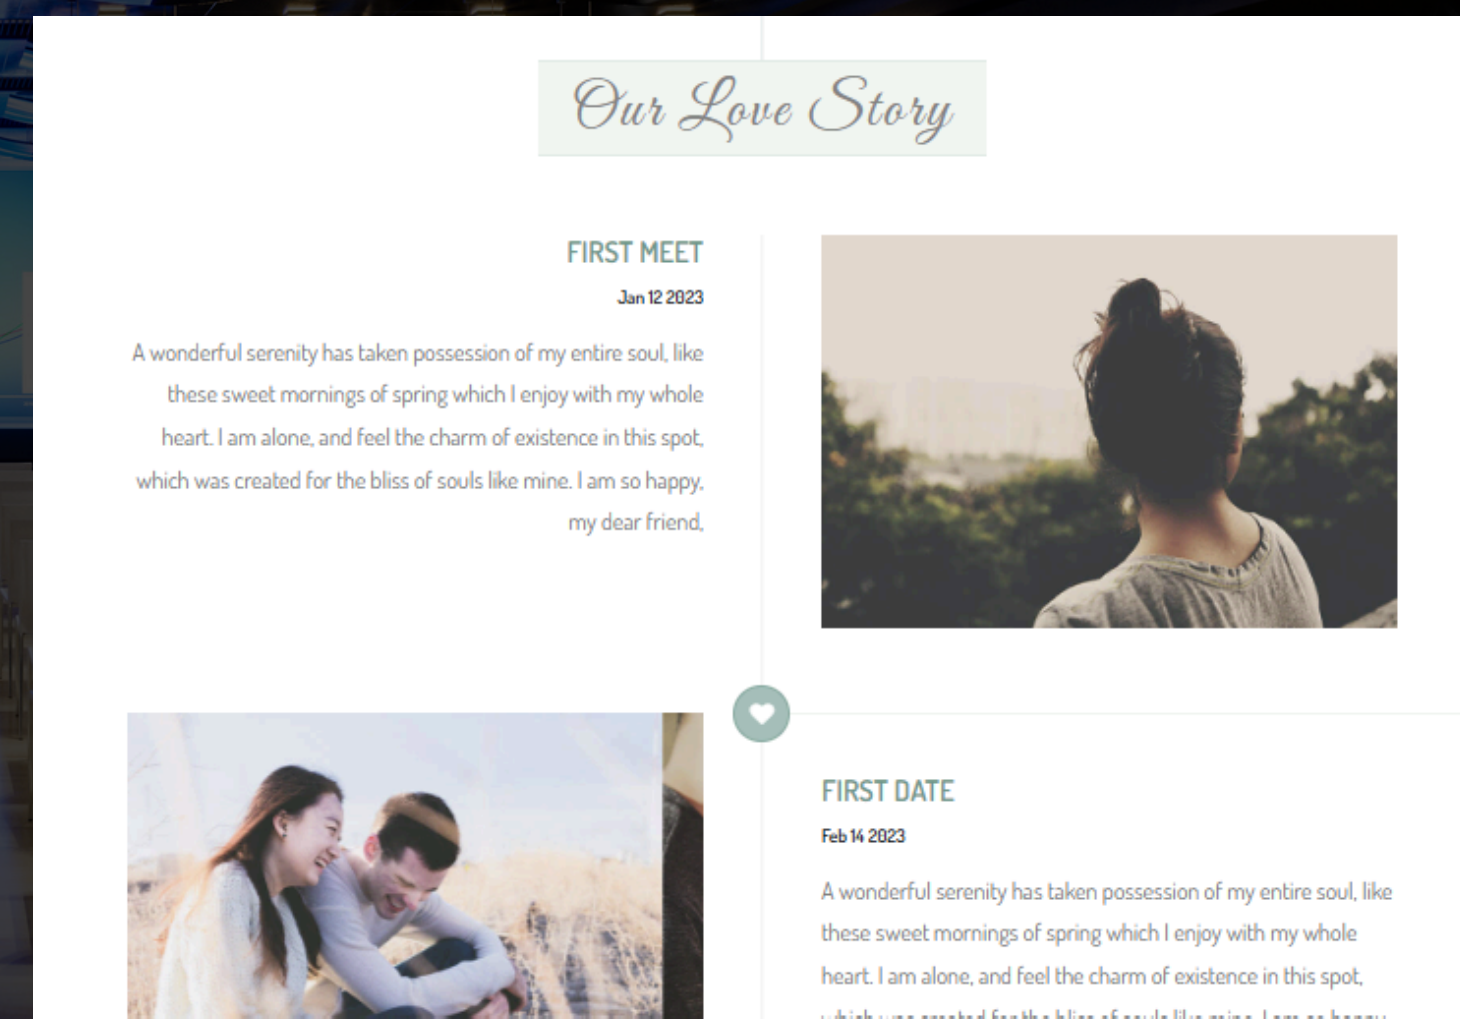

Websites Features and Functionalities

4) Day Plan and Timeline

Provide guests with a detailed schedule of the event, helping them stay informed and organized.
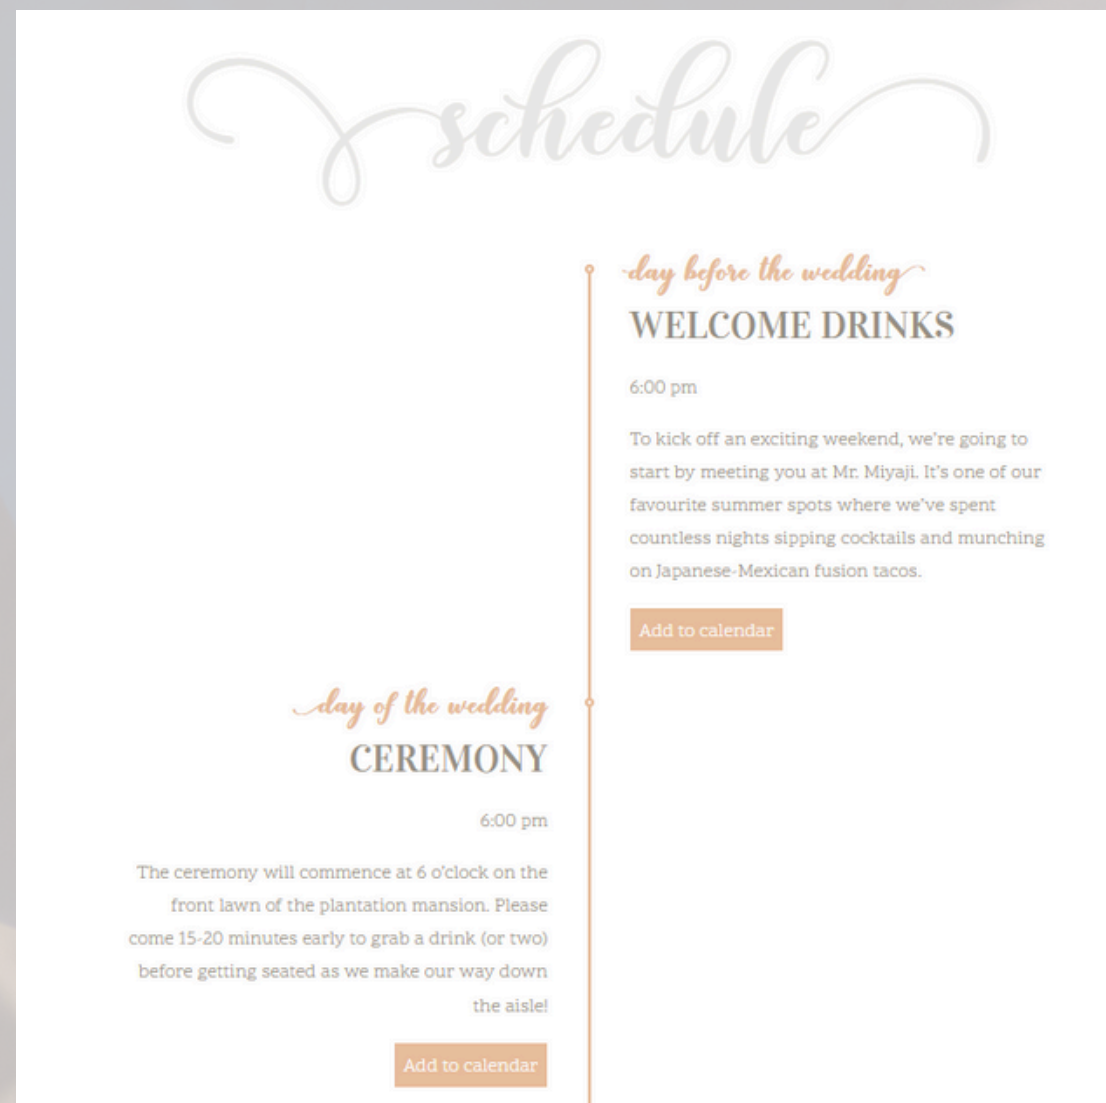

5) Facilities and Amenities

Display available event facilities with actionable links (e.g., "Call the Makeup Artist" button) or directly RSVP for a specific service.

Websites Features and Functionalities

6) Personalized Wish Notes

Guests can leave heartfelt messages with a text-based wish note or get creative by writing or drawing their wishes using our freehand tool.
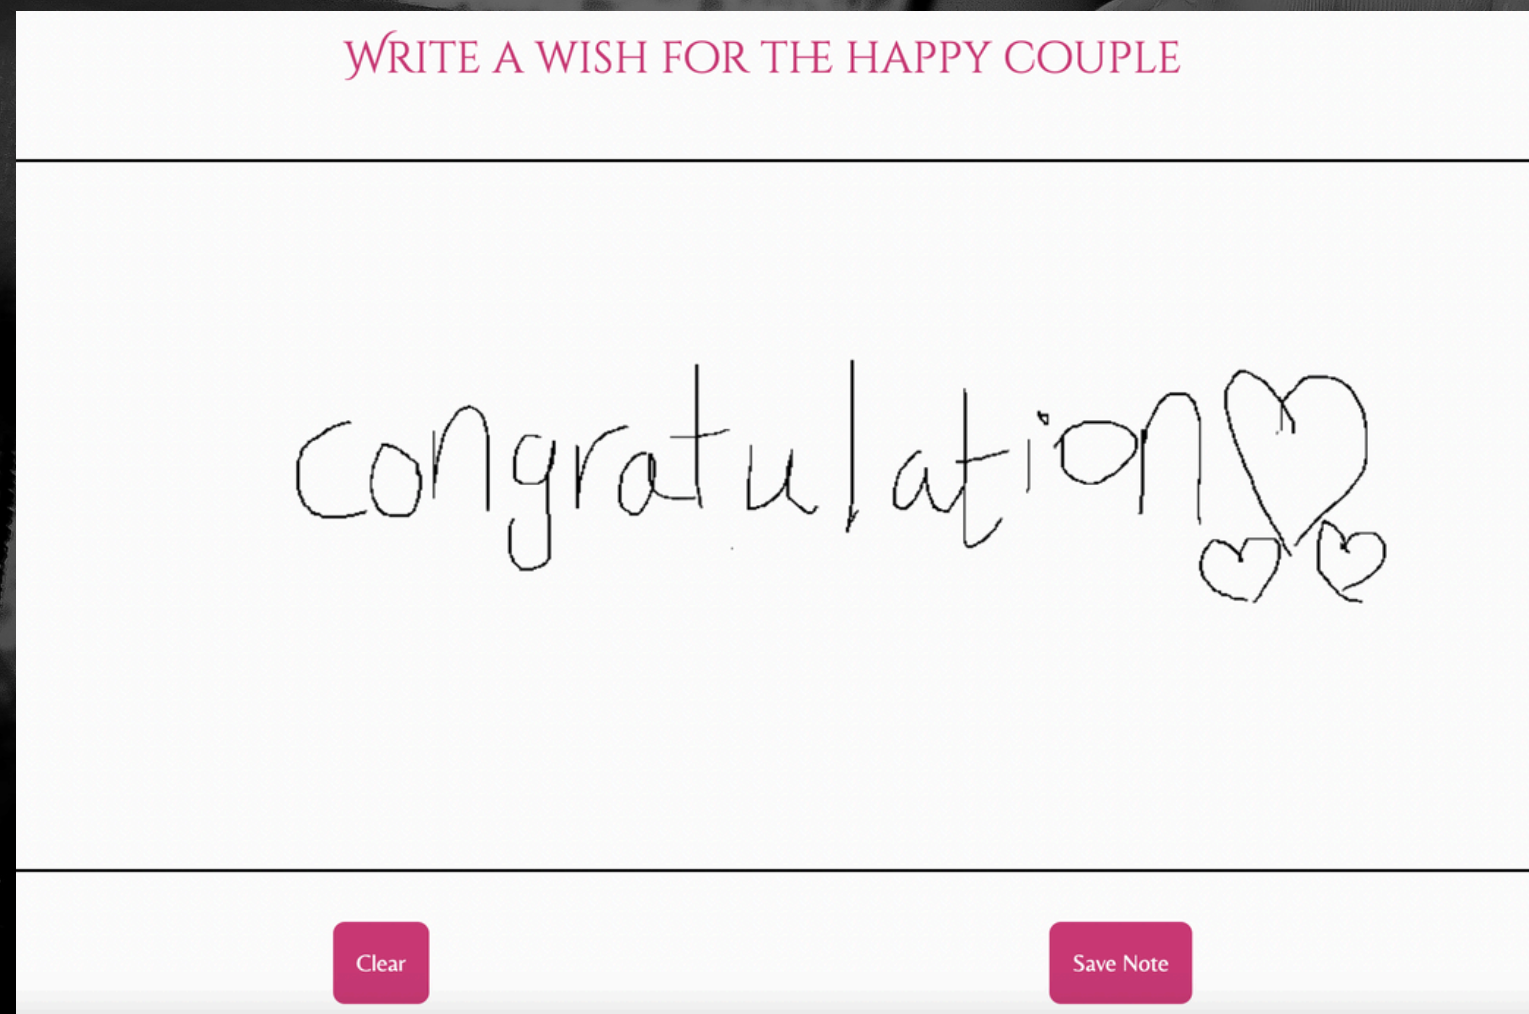

7) Customizable Seating Chart

Easily arrange guest seating with fully flexible and interactive seating charts.

frequently asked questions

What should I wear?
The dress code for our wedding formal. Ladies should wear a full-length gown, and gentlemen should wear a tuxedo or a suit and tie/bowtie. (Women - Please don't wear white, ivory or beige).

What will the weather be like this time of year?
While during the day will be nice weather, not too hot or cold, at night the temperature drops; a jacket or a shawl is recommended.

Are kids welcome?
While we love your little ones, we want you to relax and enjoy the evening. We appreciate you making arrangements ahead of time and leaving the kids at home so you can celebrate with us.

¿Que debería vestir?
El código de vestimenta para nuestra boda es Formal. Las damas deben usar vestido largo y los caballeros deben usar esmoquin o traje y corbata/corbatin (Mujeres - no usar blanco, marfil o beige).

¿Cómo será el clima en esta época del año?
Durante el día hará buen tiempo, ni demasiado calor o frío, por la noche la temperatura desciende; se recomienda una chaqueta o un chal.

¿Son bienvenidos los niños?
Aunque amamos a sus pequeños, queremos que se relajen y disfruten de la noche. Agradecemos que hagan los arreglos con anticipación para dejar a los niños en casa y puedan celebrar con nosotros.

Websites Features and Functionalities

10) Interactive Photo Sharing & Management

Let guests upload photos in real-time with our POV feature, sharing their unique perspective of the event. Invitees will receive notifications when their photos are added to the gallery, making the experience more personal. Optional facial recognition technology can automatically tag invitees in photos, streamlining the process and improving the gallery experience.
